

PROTECT AGAINST EBOLA WITH BULLARD

Bullard's respiratory products can help protect Healthcare workers from diseases, such as Ebola. The Center for Disease Control (CDC) is recommending PAPRs for use by healthcare workers during management of patients with Ebola Virus Disease*. The EVA PAPR can provide this recommended protection and reduce the risk of Ebola exposure and illness.

EVA PAPR FEATURES

- Visual Fuel Gauge
- Active Flow Technology
- Integrated Alarms for flow and battery
- Ergonomic design for superior comfort for all day use
- Lightweight, sleek, and balanced
- Easy to share by simply changing head tops using the quick attachment feature

CC20 HOOD FEATURES

- No fit testing required
- Full Neck and Shoulder coverage
- Choice of Dupont™ Tychem® QC or Tychem SL fabrics, which have been tested and passed the requirements of North America ASTM Standards F1670 and ASTM F1671, and North American standards for blood-borne pathogens
- Taped seams
- 100X more protection than N95 Mask
- Latex free, comfortable fit
- Accommodates facial hair & eyeglasses
- Quick-Attach Threaded Connection makes donning easy
